SeleCTech™

Shrink Packaging Machinery

Introducing the Sealed Air SeleCTech™ range of Shrink Packaging Equipment.

You can choose from a basic single operation machine right up to a fully automated system.

Whatever your business needs may be, we'll have your products wrapped in no time.

Features of the One Step include:

- Adjustable heat setting
- Adjustable table height
- Dual settings - seal only or seal & shrink
- Allows for variable roll widths
- In-built perforator pins
- Compatible with Cryovac® Polyolefin Shrink Films
- Up to 5 packs per minute
